A CURATION INNOVATION COMMUNITY FOR BOOKS & PUBLISHERS

What works somewhere in Europe should not have to be *invented twice.*

Chaptrly is a curated, cross-border record of practical innovation in the book sector – documented well enough that another organisation, in another market, can actually reuse it.

INDEX OF CATEGORIES	
Content creation & editorial	2
Discovery, marketing & audience	3
Reading experience & product	3
Inclusive & accessible publishing	2
Data, infrastructure & operations	2
New business models	2
Sustainability & circularity	2

Lancering van Europees innovatieplatform is het begin van een gezamenlijke internationale beweging; brancheorganisaties, fondsen en innovators worden uitgenodigd zich aan te sluiten.
